To H. V. Nanjundayya Esquire M.A. B.L.
The Secretary to the Government of Mysore,
General and Revenue Departments.

Sir,

Adverting to your C. R. no: Pet 1097 — dated 6th December, 1895, forwarding for report, petition Registered no: 642, received from Mr. Thammiah, Pleader, residing at Mysore, complaining that his land bearing survey no: 53, in the village of Brahmapura Agrahar, Seringapatam Taluk, does not receive irrigation although it is charged with wet assessment, and subsequent reminder, I have the honor to state — that the petitioner's land (survey no: 53) is entirely dependent for its irrigation on the surplus water of the adjoining land bearing survey no: 52, in the occupation of one Nayana, and that since no 34, irrigates both these survey numbers.

The

The petitioner had gone to the expense and trouble of lowering the level of his land, so as to admit of its irrigation from the surplus water referred to. It has however been brought to notice that Nayanna, the occupant of survey no: 52 objected to the surplus water of his field being used by the petitioner for irrigating the land in question. Orders have accordingly been issued to the Seringapatam Taluk Amildar, to take steps to ensure adequate supply of water for the petitioner's land and to adopt proceedings against the occupant of survey no: 52, should he persist in obstructing the use of the water by the petitioner.

The enclosures of your C. M under reply are herewith returned.

I have the honor to be
Sir,
Your most obedt. servant

H. Cumming

Offg. Deputy Commissioner
